### Product Replacement

The SPOT Product Replacement Program offers registered SPOT users with the ability to quickly replace your damaged, lost or stolen SPOT device. From facing extreme temperatures to being tossed around on packs and vehicles, SPOT is built to take it. But let's be honest—the activities you do and the places you go with your SPOT bring unexpected challenges. That's why The Product Replacement Program is available to you. Although SPOT is water resistant, withstands extreme temperature and holds up to the wear and tear of your adventures, you should always be prepared for what the world can do to your SPOT!
